Pylones Hellas awarded ISO 27001:2013 Certification from TUV Hellas for Information Security Management

Athens, Greece – 19th June, 2019 – Pylones Hellas, a provider of advanced IT solutions to medium and large enterprises, with presence for more than 20 years in Greece, Cyprus and the Balkans, has been certified by TÜV HELLAS Audit, in accordance with the international standard ISO 27001:2013, which defines the requirements for the Information Security Management Systems.

ISO 27001 certification strengthens company's existing certification policy. Pylones Hellas is already certified for Quality Management System ISO 9001:2015 since 2007 for all of its activities and covers all company's processes. With this new certification, Pylones Hellas ensures the management and protection of its valuable information assets, in compliance with the applicable laws and regulations.

Pylones Hellas proves that shielding customers' information constitutes a key factor for its activities. By placing customers' safe handling and processing of their personal data on the forefront, Pylones reinforces the existing practices to comply with GDPR policy.

Mr. Emmanuel Netos, General Manager of Pylones Hellas, stated about this new certification: "Pylones Hellas as Security Integrator sets the information security in the forefront. Information Security is the key to the future, for both internal processes and customers, aiming to avoid mismanagement and mistakes. This certification confirms the existence of the appropriate procedures and policies and highlights our continuous commitment to provide high quality services".
